Dear Neighbour,

**Liveable Streets Works and Road Closures – Gosset Street**

We are pleased to inform you, work is progressing on the Liveable Streets programme in the Bethnal Green. Following the works on Old Bethnal Green Road, the next stage is ready to begin on Gosset Street and a number of side roads off of Gosset Street.

This work forms part of a multi-million pound borough-wide Liveable streets programme, which aims to improve the look and feel of public spaces in neighbourhoods across our borough and make it easier, safer, and more convenient to get around by foot, bike and public transport. We are investing in quieter, greener streets with enhanced heritage lighting to improve safety for residents, businesses and visitors.
